

Surgery Department - SAVING HUMAN LIVES

Department Director:
Prof. Shlomo Kyzer

Head Nurse:
Nitza Bashar i

Laniado Hospital's Surgery Department, which includes 34 beds, encompasses the various departments and units that perform general and trauma surgical procedures. Over the years, it has treated hundreds of sick and injured individuals in the Netanya area, including hundreds of victims of the various terrorist attacks in the region during the Second Intifada.

All types of surgery is performed at the Department, including the following:

Orthopedic services that require surgical intervention, including tumors
and trauma, are provided by the Orthopedic Surgery and Trauma Service in
the Orthopedic Surgery and Trauma Service in the Orthopedic Surgery
Department. Hours of service are 7:00 AM to 7:00 PM (except for doctors' rounds)
at the Orthopedic Surgery and Trauma Service. For more information, please
